Sponsorship & Information Packet

Our Why

Dear Friends & Supporters,

The Fairways of Hope Memorial Golf Tournament is a weekend-long experience built around more than just golf. This two-man scramble brings people together for competition, connection, and purpose – offering so much more than a day on the course. It's a weekend designed to honor lives, celebrate legacy, and truly change the future...

This special event proudly supports The RescYOU Group, a nonprofit founded in 2021 to walk alongside families facing the unimaginable loss of a child. Through immediate financial assistance, grief counseling, and long-term emotional support, The RescYOU Group ensures families are never left to navigate grief alone.

We are honored to support the JonCade Thomas Clemons Memorial Scholarship Fund, which honors the life and legacy of JonCade Thomas Clemons by supporting students through educational scholarships – continuing his impact and creating opportunities for generations to come.

Your kindness and generosity fuel our purpose. By participating in the Fairways of Hope Memorial Golf Tournament, you are helping provide critical support for families in their darkest moments – from burial and medical expenses to long-term emotional care – while also investing in education and future leaders. Together, we are turning remembrance into action and legacy into lasting impact. Join us for an unforgettable weekend, where together we will compete, connect, and continue to pave the way toward healing, hope, and opportunity. Let's shine brightly for those who need it most – on and far beyond the fairway.

With Gratitude,

Our Fairways of Hope Team
